

# TOWN OF PEACHAM

## Notice of Meeting of the Cemetery Preservation Committee

▶ Tuesday, May 19, 2020 at 8:00AM

▶ Location: the main Peacham cemetery across from the firehouse

### Agenda:

No business anticipated. Tour the village cemetery. See the lay of the land. Ask questions of our sextons so committee can better understand the vegetation, drainage, access, how things get done such as digging, burials, services, markers, monuments, & maintenance. See which areas are used and yet to be used.

➡ Every person attending should be prepared to wear a mask, exercise extra safe social distancing, and talk loudly so everyone can hear you.
